

## Clipband-Xtragrip®

### Closure

Plastic closure made of polypropylene, reinforced with two straight wires on the edges.

Available in wire thickness: 2/0.6 mm, 2/0.7 mm, 2/0.8 mm.  
Width 8mm.

### Use

Specifically designed for use on all well known semi- and full-automatic clip packaging machines.

The difference with the Clipband-original is that the edges of the bag closures are sharper. Due to the higher slide resistance of the clipband the bread remains tightly wrapped, which leads to a better product presentation at the supermarket

Can be used for closing bags for bakery, pastry, confectionery, pasta and noodle products.

### Colours

White, yellow, red, orange, blue, gold, green, black, grey and brown.

Other colours on request.

### Size

On reels of 500, 600 meters.

Also available in cut lengths from 50 mm up to 750 mm.

### Packaging & Weight

500 meters: 5 reels in a carton of 370 x 370 x 310 mm.

Reeldiameter: 345 +/-10 mm.

Weight carton: 20-25 kg. 24 cartons on a pallet.

600 meters: 5 reels in a carton of 370 x 370 x 310 mm.

Reeldiameter: 370 +/-10 mm.

Weight carton: 20-25 kg. 24 cartons on a pallet.

### Note

The closures can be imprinted with production date or code.
